This Week at Rotary... June 30th: Marie Mikel – Red Wing Chamber of Commerce, will give an update on the Red Wing business climate. We also say thanks and farewell to President Clare.

Rotary Fundraiser: Rotary Arts and Eats International Banquet/Auction

Emily Nelson has agreed to lead our efforts at getting another Red Wing Rotary fundraiser going. So far the leading candidate is: TRAVEL AROUND THE WORLD WITH ROTARY...without ever leaving Red Wing! That's right – the Red Wing Rotary Club will be hosting an "International Banquet" Fundraiser in mid-November with sample-sized dishes native to different areas of the globe. Most likely host is the St. James Hotel with a \$500 rental fee. We are looking at the second weekend in November. Because each of our Rotarians has a different talent, we are looking for everyone to participate in this event. Each and every Red Wing Rotarian should be on a committee. If you are not listed below, please choose a committee and contact the chairperson – we need all of the help we can get! Thanks!

What Paul Harris Said:

"We are here on earth and we are here to stay during our respectively allotted periods. How much of happiness and how much of misery shall be our share remains with us almost entirely to determine. If we possess a modicum of reason, it will be apparent to us that it is the part of wisdom to cheerfully make the best of the situation and to harmonize our own lives with nature's inexorable laws. We are entitled to the maximum of happiness; and may we be sane enough to observe that the route to a life full of happiness does not lie in intemperate indulgence. We need and the world needs an optimistic, rational philosophy of life."

GSE Outbound Team to Sweden including Red Wing's own Steph Riegelman, spoke to our Club last Tuesday about their enjoyable and beneficial month long visit to Sweden.

About Rotary...

Who are we?

Rotary International is a volunteer organization of business and professional people who provide humanitarian services and help to build goodwill and peace in the world. We are non political and often described as 'the mini United Nations'.

Founded in Chicago in 1905, there are more than 33,000 Rotary clubs in over 200 countries, with membership exceeding 1.2 million people.

What do we do?

Rotary clubs address critical issues at home and abroad, providing health care and medical supplies, clean water, food, job training, youth development and education to millions of people.
