August is Rotary Membership Month

In August, Rotarians are asked to focus on **membership** and extension. During this month, consider sharing what it means to be a Rotarian in your community. For starters, check out the new online version of **Rotary Basics**, and use some of the content to develop a press release, letter to the editor, or newspaper supplement. Be sure to add information specific to your club and district. Our own Past President Dave Anderson is chairing this year's membership efforts and is looking to build our Tuesday noon club and see if we can get this Red Wing Rotary Morning Club off the ground.

Ethics in Rotary

Declaration of Rotarians in Businesses and Professions

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
 2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of the country, and to the moral standard of my community;
 3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
 4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
 5. Recognize the honor and respect due to all occupations which are useful to society;
 6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in the community;
 7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
 8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.
