## **Red Wing Rotary Achieves Exchange Student History**

At our meeting Aug. 4, we heard about the great and positive experiences of our recent Outbound Rotary Exchange Students Anne Grinager (Ecuador), Joe Walch (Japan) and Ingrid Anderson (Poland). This was the first time our Club has sponsored 3 outbound students in a year and two of the students had Red Wing Rotary parents, President Meg Walch and Past President Dave Anderson. Dave and family just returned from Poland where they visited Ingrid and got to know her host family. All three students spoke very positively about the experience and their growth from it, as did all the proud parents.
