Sell, Sell, Sell Those ROSES...

Rotary Rose Day Sale is fast approaching. If you haven't started selling, time is ticking, start making your calls. Remember the sale is Friday, October 9th at Caribou Coffee. Each member is encouraged to sell 20 dozen. Remember our membership is down and we need these sales. Diane will need to know the numbers of roses you have each sold to determine if we need to order more than the 650 dozen. Please e-mail Diane by Oct. 1st with the amounts of roses that you have sold thus far so she can start tallying the numbers. Her e-mail is: dmcneil3@redwing.fairview.org

On Sept. 22, we were guests at Hobgoblin Music where Gary Stone explained how they make harps. We also learned how the business was formed and about the many music performances they host.

Our lunch was provided by the new Smokin' Oak restaurant on its first catering job during a very busy opening month for them.
