Foundation Month So Let's Keep on Getting Bill

Bill Laidlaw has again stepped up to the Rotary plate and challenged us to donate to the Rotary Foundation now during Foundation month. Bill feels so strongly about it that he will match any contribution up to \$50 for the Foundation. So let's make Bill pay and give to the Rotary Foundation and make his match work some Rotary good.

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

The Foundation is a not-for-profit corporation supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.
